

Application Form (2010): Full Membership

Membership of the Association of Subscription Agents and Intermediaries is open to any company or organisation whose main occupation, or a substantial part of it, is that of a subscription agent or intermediary supplying books, serials or other information content in either paper or electronic form from more than a single publisher. Full members should have a turnover of £1,000,000 (€1,200,000, US \$2,000,000) or greater. Membership is corporate not individual. A single membership covers all subsidiary companies wholly owned by the member company. Membership is annual and renewed in January of each year. All members of the ASA are entitled to attend and vote at meetings. All members have a single vote regardless of their size or membership category.

All new members must agree to abide by the Guidelines for Members enclosed with this application form and must warrant that they are, at the time of joining, in sound financial health. New members may be asked to provide a recent published set of accounts or an auditor's letter confirming their turnover and sound trading status.

To join please complete this form and return it as an email attachment to Sarah Durrant (info@subscription-agents.org) or post it to the address below.
